H. A. Roberts, Fsoc., M.A.,

Secretary, Cambridge University Appointments Board.

Dear Sir:

Can you give me any information about Mr. N. P. Jopson of St. John's College Cambridge? We are making inquiries about possible candidates for a position in University College, Toronto, in the Department of German. I have been told that Mr. Jopson has a good academic record in this subject, and I should like to know something as to his personality, his teaching ability, and his present position. Possibly you could also tell me whether he would be open for an appointment? I should be much indebted to you for any information.

Yours sincerely,

President.

B. A. Roberts, Esq.,
Appointments Board,
University Offices,
Cambridge, England.

Dear Sir:

I have to thank you for your kind letter giving me your opinion of Mr. N.P. Jopson. I thank you particularly for your offer to enter into any negotiations with Mr. Jopson should we desire to have further communication with him. You will be glad to know, however, that I wrote last week to another Cambridge man, Mr. Gilbert Waterhouse, offering him a position in German, which I hope that he will accept. If he does we shall not need to turn to Mr. Jopson.

Yours sincerely,

President.
